

Lite Beton

Die Töpfe werden mit grosser Sorgfalt und Liebe zum Detail von Hand gefertigt. Geniessen Sie die Balance zwischen Natur und Kunst, während jeder Topf seine eigene Geschichte der Handwerkskunst erzählt. Die winterfesten Pflanzgefässe trotzen den Elementen und bewahren dabei ihre Schönheit und Struktur. Dazu überraschen sie mit ihrem geringen Gewicht, welches ein Umplatzieren ganz nach Wunsch möglich macht.

Lite Beton

Les pots sont fabriqués à la main avec le plus grand soin et l'amour du détail. Appréciez l'équilibre entre la nature et l'art, tandis que chaque pot raconte sa propre histoire d'artisanat. Les pots résistants au froid bravent les éléments tout en conservant leur beauté et leur structure. De plus, ils surprennent par leur légèreté, ce qui permet de les déplacer à volonté.

Ablaufkappe | Capuchon de drainage

Um den Wasserabfluss zu gewährleisten, empfehlen wir für jedes Gefäß eine Ablaufkappe.

Pour garantir l'écoulement de l'eau, nous recommandons d'utiliser un capuchon de drainage pour chaque récipient.
